TALL BEARDED IRIS

In order to make possible a complete listing of all newer varieties of Tall Bearded Iris in our general catalog, we are issuing this advance list of better known iris.

Following the policy of last year, we are again establishing greatly reduced prices for quality grown plants.

For those interested in rounding out a collection, another list of newer varieties has been prepared, and will be mailed upon request.

Send cash with order, or a 25% deposit will hold stock until time for shipping, 5% discount on all orders up to \$10 received before June 1st; 10% on orders \$10 to \$25. On orders \$25 and over, write for special prices. Excellent discounts given parks, public display plantings, etc. Write for information.

Shipping will begin June 25th. Orders filed in rotation except where specified shipping date is given.

No substitutions will be made without customer approval. When ordering, name one or two alternates, if you like, in case we are sold out.

Notify us immediately, or return stock without delay, if order is received in poor condition. Full refund or replacement will be made. Our stock is guaranteed to be healthy, true to name, and in good condition when it leaves our hands.

A larger catalog will be issued about mid-May, featuring Iris, Hemerocallis, Poppies, Peonies and Spring Flowering Bulbs. A mid-summer list of older Iris will be available in July. These price lists will be sent to customers only, or on special request.

We thank you in advance for any order, large or small, that you might place with us. We have several acres of choice iris and for the first time since the war, a willing, able crew to render prompt office and shipping service.

Garden visitors are most welcome during Iris blooming time, usually mid-May to mid-June annually, with peak bloom around Decoration Day.
